<b>Subject</b>	Request for Salary Review

Dear Ritesh,

I hope this message finds you well. I would like to discuss the possibility of a salary review based on my contributions and performance over the past several months.

Since the last raise, I have taken on additional responsibilities, including providing technical support for our old legacy project. I believe that my efforts have positively impacted our team and the organization as a whole.

I would appreciate the opportunity to discuss my compensation and how it aligns with my current contributions and the market standards. Please let me know a convenient time for you to have this conversation.

Thank you for considering my request. I look forward to our discussion.

Best regards,
